No.18/1/2020-Admn-II

Dated: 30.1.2020.

To

The Directors/Directors-in-Charge of
Permanent Institutes/Centres of ICMR.

Sir/Madam,

Recently some instances have come to our notice that scientists are being given responsibility of holding the charge of HOO/DDO in few institutes which is hampering the work of research activities. I am directed to inform all concerned that the charge of the HOO shall be held by a Sr. AO/AO only. Under any circumstances, the charge of HOO/ DDO cannot be held by any scientist even during the leave period of such Sr. AO/AO. During the period of the leave, the responsibility may be given temporarily to SO but not to any scientist.

These Instructions must be followed in letter and spirit and any violation will be viewed seriously and personal responsibility shall be fixed.

Yours faithfully,

(Agnes Xalxo)

Deputy Director General
