

- ❖ Name & Designation : Dr. P.K Praveen Kumar, Assistant Professor.
- ❖ Address : Biotechnology, SVCEP, Irungattukkai, Srivperumbudur. Taluk-602117 (TN).
- ❖ Name of the International Conference/ Seminar/Symposium/Workshop : International Conference on Biological and Medical Sciences (ICMBPS- 2014).
- ❖ Title of the abstract accepted : Insilico analysis of activity of Boeravinone E from Boerhaaviadiffusaas an adjuvant to rheumatoid arthritis via dendritic cells Immunomodulation Therapy
- ❖ Date & Venue : 15-16th January, 2014, Kula Lumpur, Malaysia
- ❖ Money sanctioned : Rs 14,325/-
- ❖ Money reimbursed : Rs 14,325/-

Participation Report

The International Conference on Biological and Medical Sciences was conducted in Grand Seasons Hotel, Kula Lumpur, Malaysia on Jan. 15-16, 2014. This International Conference is organized by Planetary Scientific Research Commission (PSRC) followed by ISEM Society, SRM University and University of Malaysia. I had registration in Crystal Room-15, Grand Seasons Hotel, KL on 15.01.14. Participants from 21 different countries around the world came for presenting papers and posters in the same venue. On next day, PSRC chairperson of Asia Pacific region hosted the conference at 10.00 am. Dr. Hemantkumar Pravinbhai Bulsara from National Institute of Technology, Surat, India has given Keynote speech-1 in “Commercialization of technology innovations – Issues and challenges” from 10.05 am – 10.35 am. Prof. Dr. Khoren Albert Mkhitarian from Armenian State University of Economics, Armenia has given immediate lecture on “Liquidity on Banking in Armenia” from 10.35 am-11.05 am. We had a coffee break followed by Photo session. I have presented my paper entitled “*Insilico* analysis of binding of BoeravinoneE with GMCSFR and TNF α R” of paper Id: 114527 at 11.15 am- 11.35 am after coffee break. We had a lunch break at 01.00 pm. Followed by me, a dozen people has presented their papers in various International Conferences organized by PSRC. The conference ended finally at 04.30 pm.
